

Cake Bank - Submission Grade

Assessment based on the referenced HTML Images lesson and the submitted work

GRADE: 9 / 10 (90%)

Area assessed	Result	Comment
HTML page structure	PASS	Valid basic document structure is present.
Images inserted	PASS	Three images are included with image source paths.
Image attributes	PASS	Alt text and a title are provided for all images.
Image sizing	PARTIAL	Height is set; width is not explicitly set.
Images as links	PASS	The images are placed inside links and point to external pages.
Accuracy / finishing	PARTIAL	The third alt text contains the typo "si" instead of "is".

Overall: Strong submission. The required image and image-link techniques are demonstrated correctly. Only small finishing issues prevent full marks.
